## Architects' Association of Lithuania

2013-11-03

The Architects Association of Lithuania is a member of the International Union of Architects, the Architects' Council of Europe and the Baltic Architects Unions Association (BAUA). The Association develops an art incubator *The Centre of Architecture* which will be the main cluster of Lithuanian architecture and related businesses, bringing together scientific institutions of this field (VGTU, VDA, KTU, etc.), individual artists, professionals and business entities, including urban planners, architects, landscape architects, designers, interior designers, other designers and other related persons.
